It would be great if swimmers could compete in as many of these as possible as PRACTISE = IMPROVEMENT. If any parents/swimmers have questions on the events they should enter, please contact me (Caitlin on 0432692280 or payswim.coach2@yahoo.com). Please ensure that you enter in these events as soon as entries open to avoid missing out – COVID-19 still impacts capacity for swimming centers. Please let it be noted that due to the everchanging situation with COVID-19 that these events and dates are subject to change. If this is the case, I will do my best to advise the Payneham Swimming Club community as soon as possible.

All further SuperSwims will be notified in time

SuperSwims are a great opportunity for all members, experienced and not, to compete against themselves in a fun and supportive environment. SuperSwims also provide the opportunity for swimmers to strengthen bonds with one another, in such a way that is different to normal training sessions. It provides a chance for members who may be thinking about competing to experience the structure of a competition with marshalling and specific cues to enter/exit the water. It is highly encouraged that you attend these evenings. Each SuperSwim will have different events so swimmers get a chance to swim a variety of races, these will be announced in the official emails for each SuperSwim. The winners of the Swimmer of the Month as well as the Coach's Perpetual Trophy are announced at SuperSwims in addition to any other recognizable achievements.
