SuperSwims are a great opportunity for all members, experienced and new, to compete against themselves in a fun and supportive environment. SuperSwims also provide the opportunity for swimmers to strengthen bonds with one another, in such a way that is different to normal training sessions. It provides a chance for members who may be thinking about competing to experience the structure of a competition with marshalling and specific cues to enter/exit the water. It is highly encouraged that you attend these evenings. Each SuperSwim will have different events so swimmers get a chance to swim a variety of races, these will be announced in the official emails for each SuperSwim. The winners of the Swimmer of the Month as well as the Coach's Perpetual Trophy are announced at SuperSwims in addition to any other recognizable achievements from Payneham Swimming Club Members.
